

Top 10 Apps for Arts Education

Nov 28, 2012

On [GettingSmart.org](http://gettingsmart.org), [Sarah Cargill](#) identifies her [top 10 art education apps](#).

She says: "Entrepreneurs today who identify the significance of making art more accessible have developed brilliant websites, apps and more to bring the experience of looking at, say, the Mona Lisa to any device, anywhere and anytime."

These are apps oriented toward visual arts learning. We'd love to hear your ideas for performing arts apps that could be as brilliant!
