

Arts in a Changing America: Join the Conversation

Jan 31, 2013

Check out the [Arts in a Changing America](#)

blog! Read it, post to it, be a part of the conversation on art in world that is changing fast.

From the site:

"We are a community of writers and cultural practitioners documenting the story of how the [ART] world as we know it has already ended?"

~~"We are a community of writers and cultural practitioners documenting the story of how the [ART] world as we know it has already ended?"~~
"We are a community of writers and cultural practitioners documenting the story of how the [ART] world as we know it has already ended?"
America of what is happening artistically in communities, places, media, and among groups and publics not normally or regularly covered by mainstream art critics and publications.
