SphinxCon: Empowering Ideas for Diversity in the Arts - February 21-23, 2014

Sep 25, 2013

Diversity was identified at NPAC in 2008 as a priority for the performing arts to tackle together. All these years later, it continues to be a crucial but thorny area for the field: progress is both imperative & elusive. Check out [SphinxCon](#) as a place for conversation, exploration & solutions.
