

Diversity & Multiculturalism In A Global Context: Culturebot & Under the Radar

Mar 21, 2014

On SUNDAY, JANUARY 12, 2014 at the Under The Radar Festival, Culturebot hosted a [discussion](#) of the past, present and future of multiculturalism in a "global" world. How are different countries addressing issues of diversity while negotiating aesthetic and cultural differences? How do we, as artists and presenters, create meaningful contexts and conversations around the work itself?
